Dig if you will, the picture

Dream if you can a courtyard

An ocean of violets in bloom

Animals strike curious poses

Am

They feel the heat, the heat between me and you

[Chorus]

Am **G**
 How can you just leave me standing
Am
 Alone in a world that's so cold?
G
 Maybe I'm just too demanding
Am
 Maybe I'm just like my father, too bold
G
 Maybe you're just like my mother
Am
 She's never satisfied
G
 Why do we scream at each other?
Am
 This is what it sounds like when the doves cry
