That's exactly the way that I want it  
**G Am**  
That's exactly the way that I am

**F C**  
And you call me in the mornin with your troubles  
**G Am**  
Takin it downtown every night

I could never place the stars at night above ya

**G Am**  
Laugh it up honey it ain't that bad  
**F C**  
And the afterthought rose to recognition  
**G Am**  
Like every other coffin that I had  
**F C**  
And your Buick broke down in Winnemucca  
**G Am**  
You fall to your knees and you pray to the lord  
**F C**  
Then you take a poke at the politicians  
**G Am**  
Nothing happens in this burnt down town anymore

[Chorus]

[Verse 3]

**F C**  
And your heart rolls on like a frozen freight train

**G Am**  
You know that I'd help you if I can

**F C**  
But I'm just a raindrop in a river

**G Am**  
Just a little itty bitty grain of sand

**F C**  
And you know that I'm doomed to repeat this

**G Am**  
With all the bad habits that I learned

**F C**  
But its better than your fire-borne fornication

**G Am**  
And all the dirty money that you earned

[Chorus]

**F C**  
You wait so long

**G Am**  
You wait so long

**F C**  
You wait so long

**G Am**  
You wait so long

**F C**  
You wait so long

**G Am**  
You wait so long
